The residential complex has a total of 187 homes of 1, 2, 3 and 4 bedrooms distributed in 3 different residential spaces whose avant-garde design blends with the surroundings in a consolidated area just minutes from the beach, the city center and from the marina of Estepona. In Mesas Homes you will find the perfect home in the perfect place. Its south-southeast orientation allows maximum use of natural light and its elevated position offers magnificent views of the sea and / or the city from its large terraces, which have been designed with the aim of connecting homes with the beauty of its environment. The common areas of Mesas Homes, which have been designed with our commitment to sustainability in mind, are made up of top-level facilities and a wide variety of equipment using premium materials. Each residential space has nice communal areas that include gardens and a communal pool, being the one located in the intermediate part which has, in turn, an exceptional indoor pool and a complete gym. In addition, Mesas Homes has 245 parking spaces and 171 storage rooms in the basement

Mesas Homes has been designed to suit your needs. In this promotion you will find homes where design and comfort go hand in hand with the idea of putting at your disposal a highly attractive project. As in all our projects, Neinor Homes offers homes with a high level of quality in their finishes, with a practical and modern distribution that allows maximum use of their spaces, without losing aesthetics and style. Spacious and perfectly lit rooms with living rooms and dining rooms connected with spacious terraces. Open and diaphanous kitchens, fully equipped with low consumption appliances, meeting the criteria of sustainability and practicality
