Ground Floor Apartment

Price € 195,500

Estepona

Costa del Sol

Spain

Bedroom: 3

Bathroom: 2

3 bedroom apartment of new construction, in the new development area of Estepona. It is a house of ground floor, with kitchen equipped with top brand appliances, large living room with terrace and private garden. The house has 3 bedrooms, two bathrooms, one en suite in the master bedroom. It has a garage and storage room. It is a closed complex consisting of 66 apartments of 2 and 3 bedrooms, on 3 levels, harmoniously distributed around splendid communal gardens and a large swimming pool.

Some units on the ground floor offer a terrace and a garden, the first floors have terraces with surfaces ranging from 25 to 35 meters and, finally, the apartments in the attic floor have, in addition to the terrace, a nice roof solarium .

The south-southeast orientation of most terraces allows you to make the most of the sun and light throughout the day.
